Pretreatment Solution (recommended): Block for 5 minutes with Biocare's Peroxidazed 1.

Peroxide Block:
Protocol Recommendations verified by the user.

stored under conditions other than those specified in the package insert, they must be
Store at 2ºC to 8ºC. Do not use after expiration date printed on vial. If reagents are
Supplied As:
Immunohistochemistry (formalin-fixed paraffin-embedded tissues)

Known Applications:
Normal Tissue:
Melanoma
Positive Control:
MART-1 + Tyrosinase: (Cytoplasmic) Red
Cellular Localization:
Epitope/Antigen: Melanoma / Ki-67
Species Reactivity:
Human; others not tested
Clone:
M2-7C10 + M2-9E3 + T3-11 + SP6
Isotype:
IgG2a + IgG2b/kappa + IgG2b/kappa + rabbit IgG
Source:
Mouse monoclonal and Rabbit monoclonal

Precautions:
This antibody contains less than 0.1% sodium azide. Concentrations less than 0.1% are not reportable hazardous materials according to U.S. 29 CFR 1910.1200, OSHA Hazard communication and EC Directive 91/155/EC.

Sodium azide (NaN3) used as a preservative is toxic if ingested. Sodium azide may react with lead and copper plumbing to form highly explosive metal azides. Upon disposal, flush with large volumes of water to prevent azide build-up in plumbing. (Center for Disease Control, 1976, National Institute of Occupational Safety and Health, 1976)

Specimens, before and after fixation, and all materials exposed to them should be handled as if capable of transmitting infection and disposed of with proper precautions. Never pipette reagents by mouth and avoid contacting the skin and mucous membranes with reagents and specimens. If reagents or specimens come in contact with sensitive areas, wash with copious amounts of water.

Microbial contamination of reagents may result in an increase in nonspecific staining. Incubation times or temperatures other than those specified may give erroneous results. The user must validate any such change. The MSDS is available upon request.

Troubleshooting:
Follow the antibody specific protocol recommendations according to data sheet provided. If atypical results occur, contact Biocare's Technical Support at 1-800-542-2002.
Limitations and Warranty:
There are no warranties, expressed or implied, which extend beyond this description. Biocare is not liable for property damage, personal injury, or economic loss caused by this product.
